Mr. A V Ramaswamy

The Deputy Commissioner,
Kolar District.

Sir,

I am directed to state that the rules framed by the Chikballapur -- Municipal Council under section 46(i) and (j) of the Municipal Regulation and received with your letter No.1887 of the 28th February 1916 have not been duly signed and to request that they may be kindly signed and resubmitted after necessary revision and publication in the light of the following observations:-

(1) It is desirable that in accordance with Government Order No. 6044-54/Ml.177-09-6 dated 20th January 1910 assessed taxes in all Regulation --- Municipalities should be -- collected in advance in two half yearly instalments in July and January.

(2) The articles on which and the -- rates at which octroi is levied have not been entered in the schedules. The omission may be supplied. There is no -- necessity to have three schedul

to the rules. All the items may be included in only one schedule

(3) The proposal to levy tolls may be made the subject of a separate communication if necessary, and not included in these rules at present.

(4) The rules regarding remissions and writes-off and refunds of taxes may be combined into two general rules as indicated in the copy herewith sent

(5) The power to grant remissions and to hear appeals against assessment etc, may be delegated to the --- Managing Committee, as suggested in the rules as revised in this office.

(6) The Municipal Council may consider the desirablity of taxing animals in addition to vehicles as in other Municipalities. Under carriages, in the schedule, only ~~four~~ two classes appear sufficient as only two different rates -- viz Rs 5 and Rs.2/- are proposed to be levied.

(7) In schedule B, the intention of the Municipal Council in proposing special temporary rates for shops is not clear. The Municipal --

9

Council may once for all decide the rates to be adopted.

(8) Certain other desirable alterations and additions also are noted in the copy of the rules.

2. I am particularly to invite attention to the fact that according to the ---- definitions in the Mysore Municipal Regulation the term "Municipality" denotes the Municipal area and not the governing body which is termed "Municipal Council".

I have the honor to be,

Sir,

Your most obedient servant,

for Secretary to Government,

Revenue Department.
